

Transit Products

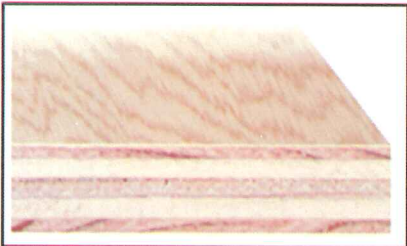

Acoustic-Ply®

Structural panels that noticeably reduce structure-borne noise and vibration, improve passenger comfort, and meet mass transit, motor coach, and shuttle fleet requirements.

Transit Deck

Marine-quality Fir plywood designed for low-maintenance, high-performance floors and bulkheads. Manufactured to maximize strength and flatness for easy installation. Also available with hardwood face.

Transit Deck XP Plus

With a Class A Fire Protection rating, this preservative and fire-treated panel provides dual protection against rot, decay, and fire.

Transit Deck XP

Pressure preservative treated plywood panel increases the lifespan of the floor and is environmentally friendly. Lifetime Warranty against rot and decay.

With several decades of experience, GWI sets enviable standards, embracing fresh technologies and exceptionally tight tolerances.
